MARK JENKINS & SANDRA FERNANDEZ FOR WALK & TALK

(http://www.stick2target.com/mark-jenkins-sandra-fernandez-for-walk-talk)

While on the island, **Mark Jenkins**(http://www.xmarkjenkinsx.com/) and **Sandra Fernandez** did what they do best, tape sculptures. Near Arco 8, where Vhils has left his piece last year(http://www.stick2target.com/walk-talk-by-vhils), you can find two sculptures riding to the ocean.
