Following his participation to 2014 Paris Nuit Blanche (covered here (https://butterflyartnews.com/2014/10/06/streets-paris-nuit-blanche-2014-part-3/)) and Art Basel Miami, American artist **Mark Jenkins** returns to London for a solo exhibition ‘ *Moment of Impact*‘ at **Lazarides Rathbone**.
Featuring a new body of hyper-realistic works with three dimensional canvases from his continuing ‘kicked series’ and life-sized sculptures, Mark Jenkins is also introducing a brand new series of child-size mixed media sculptures.
